### Selection Criteria

International students are admitted according to standards established for each country. In general, freshman (first-year) applicants shall have completed secondary school and have achieved at least a 2.5 grade point average on a 4.0 scale. In general, students with transfer credit shall have achieved at least a 2.0 grade point average on a 4.0 scale. Some academic programs require higher grade point averages.

Academic documentation must be official and issued directly from the institution. Applicants shall provide complete documentation of all transcripts, including grades or mark sheets, and copies of certificates, diplomas, or degrees earned. For credentials not originally issued in English, certified English translations must be provided. If you do not provide documentation for your complete academic record, your offer of admission may be denied or revoked.

### Transfer Credit

K-State strongly encourages applicants to submit an academic evaluation report from a credential service. The service must be a member of the National Association of Credential Evaluation Services (NACES). For a list of current members, please visit: <http://www.naces.org/members.htm> If the transcript you provide does not have credit hours listed for each course, you are required to submit a credential evaluation in order to receive transfer credit.

### Affidavit of Financial Support

Students requesting an F-1 or J-1 visa must provide an affidavit of financial support stating that you or a sponsor is able to provide enough money for one year of study at K-State. The affidavit form is included at the end of this application.

### International Readmits

Please complete and submit the application for international undergraduate admission and the affidavit of financial support. This is to ensure that you have the necessary English skills to be successful during your time at K-State.

You will not have to take the English proficiency test upon arrival if you have achieved one of the following:

<b>TOEFL (iBT only):</b> composite score of 79 or higher
<b>IELTS:</b> composite score of 6.5 or higher
<b>ACT:</b> 23 or above on English part score
<b>SAT:</b> 530 or above on critical reading/verbal part score
24 or more transfer credits at an accredited U.S. institution and completed English Composition I and II with grades of C or better
Attended high school in the United States for four years and completed four years of English with grades of C or better

Documentation of English proficiency must be submitted to the Office of Admissions before the first day of classes of your first semester. All testing and coursework must have been completed within the last two years. The ETS institutional code (TOEFL and SAT) for K-State is 6334.

For more information about the English Proficiency Test and K-State's English Language Program, please visit: <http://www.k-state.edu/elp/admission/>
